PUBLIC ADVERTISEMENTS

OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 9th November 1949.

A letter under the heading "Minimum Rate for Electricity" is puplished in the issue of "Deccan Herald" dated November 9th, 1949. The consumer has stated that he has received a bill at the rate of Rs 4 as flat rate for installation that has been serviced without meter.

It is true that in spite of the best efforts of the department, it has not been possible to secure sufficient number of 25 cycle meters to instal in every installation that is in service. The department has introduced a system of rotation of meters, so that every installation will get metered during the course of a year for a period of three months or more. But there are consumers who are anxious to take service, as they get ready with the installation without waiting for the meters being made available by adopting the above procedure. In such cases service is being given without meters and the installation will be metered within about a year from the date of service as far as practicable.

A levy of Rs. 4 as minimum per month on the basis of use by the consumer for three hours of his entire installation was adopted. But before this was enforced the hardship that would be caused to the consumers by such an arrangement was realised and revised instructions have been issued directing all sections and sub-sections of the department to levy a minimum of Rs. 2-4-0 per month for installations rated at three points until meters are installed and actual consumption is determined. The levy of Rs. 4 complained of by the writer of the letter must have occurred before the circular reached the Channarajanagar Sub-section and the bills already sent out at Rs. 4 per month will be revised to Rs. 2-4-0 per month.

Press Note.

Dated 15th November 1949.

Government had ordered in their Notification No. S. D. 9482—C. 111-47-18, dated 22nd April 1949 that "Garuda Kembuthi" paddy grown in Mandya District, be classified under the "I Quality" with effect from the date of the Order, *viz*, 22nd April 1949. It has since been represented that the benefit of the classification of "Garuda Kembuthi" paddy as first variety will not be available to the persons who surrendered that variety of paddy during the Harvest Season prior to the date of the Notification unless the Order is given retrospective effect. As the entire quantity of "Garuda Kembuthi" grown in Mandya District, is reported to have been procured in full before the date of the abovesaid Notification, Government have directed that the benefit of the classification may be given retrospective effect, *i.e.*, from the commencement of the Harvest Season of 1948-49.
